

New World Camelid Booking Form

Pet Blood Bank UK is proud to support New World Camelid blood collection with a Collection Kit and Processing Service. Please complete the table below with what you require when booking the service and return the completed form to Pet Blood Bank

We provide as part of this service:

- Collection kit – equipment to collect whole blood and send to Pet Blood Bank for processing
- Consumables for collection – blood bags, clamps, registration forms/donation records
- Courier to collect blood and collection kit from veterinary practice or collection venue
- Processing of whole blood into Plasma and Packed Red Blood Cells
- Delivery of products same day service to veterinary practice
